

# THE CHALLENGE OF CHASING GREATNESS

Setting students up for life through Action Based Achievement

When are you going to start working towards your goals?

What do you want to be when you grow up?

**I m not smart enough... I'm too small...**

**I've failed before...**

**I'll wait till next year to try...**

**WHATS YOUR PLAN? WHATS YOUR GOAL? WHATS YOUR DREAM?**

If talent or money wasn't an issue — what would you do with your life?

What's stopping you from succeeding?

What's taking you so long?

Students are continuously told to set lofty goals and chase their dreams.

*Dream Big—Live Big!*

**But do we ever show them how to chase down these dreams?**

Chasing Greatness workshops use proven and practical strategies to help young men and women put steps in place to achieve their academic, sporting and personal goals.

Students will develop skills in -

- **Leadership Development and Peak Performance**
